

**R-6668 to R-6669 Series**  
**Pressure-Type Manhole Frame, Solid Lid**

**Heavy Duty**

*Illustrating Type L*

Suitable for low pressure application up to 20 p.s.i.  
 Manhole covers of this series are for use on built-up manholes or slab construction in either regular or seal type design.  
 Suitable for use on pressure manholes or as water-resistant electrical junction boxes on bridges, etc. Lids are bolted to frames with countersunk stainless steel hex head cap screws and sealed with neoprene gaskets. Concealed pickholes are included for complete water-tight application.  
 Units are shipped assembled with gasket glued to frame.

Catalog No. Type L	Catalog No. Type P	Dimensions in inches						No. of Bolts
